WETLANDS APPLICATIONS

Application 19-23 A & B, VMRC 19-0846 for Mark Ashe and Robert Johnson, (Property Owners): Request to construct 68-feet of replacement bulkhead, a 40-foot groin with 30 cubic yards of beach nourishment, and 73-feet of rip rap revetment in front of a failing bulkhead (38' Johnson and 35' Ashe) along the shoreline of Chisman Creek at 301 and 215 Presson Road

Anna Drake presented the application, property maps, photographs, and revised drawings

The Chair opened the public hearing.

No one came forward

The Chair closed the public hearing.

The Board opened deliberations and felt that this was a straight forward project with minimal wetlands impacts and no vegetated wetlands impacts.

Mr. Frye moved to approve the application with revised drawings dated May 21, 2019.

The motion was approved on the following roll call:

Noel West	Yes
Jan Briede'	Yes
Jeff Frye	Yes

Eric Ancarrow Yes

The Chair stated the application could be picked up after the required 10-day appeal period.

Application 19-24, VMRC 19-0821 for Southern Landscaping (Agent) and George Hankins, (Property Owner): Request to construct 133-feet of rip rap revetment along the shoreline of the Poquoson River at 403 Holly Point Road

Anna Drake presented the application, property maps, drawings, and photos. Mo Bloxom with Southern Landscaping pointed out staked areas in photos. The Board had questions regarding the toe of the revetment in relation to the eroded escarpment. Staff and Mo Bloxom clarified the revetment was being constructed landward of the wetlands.
