1. Classification of Vending Permits:

Permits for tabletop vending operations shall be issued according to the classifications listed below.

a. Multi-day Permit

Multi-day permits will allow the permit holder to conduct tabletop vending operations for more than one day throughout a 30 day period. These permits are issued for a 30 day period and require a separate application and fee(s) for each 30 day period. Multi-day permits shall have priority over single day permits.

b. Single Day Permit

Single day permits will allow the permit holder to conduct tabletop vending operations for one day during a 30 day period.

Vending operations conducted by for-profit organizations and/or non-York County-based organizations must be tied to and/or related to an existing Athletic Complex field rental (i.e., tournament, camp). Moreover, vending operations by for-profit organizations and/or non-York County-based organizations are limited to the field rental permit holder only, and additional fees are applied.

2. Application Procedure:

All applications will be considered on a first-come and space available basis. Individuals completing this form must be at least 21 years of age. This form can be obtained: at the Athletic Complex Office or by downloading a copy online at www.yorkcounty.gov/parksandrec.
