David and Philip Bowditch are owners and operators of Hornsby House Inn, Bed and Breakfast at 702 Main Street since 2011.

Hornsby House Inn has had over 10,000 Inn guests since opening. Hornsby House Inn has been awarded the Certificate of Excellence by TripAdvisor every year since 2013. There are over 200 reviews on TripAdvisor, Bed and Breakfast.com, Google and others.

We are proposing to operate a "Tavern", (food and beverage), next door at 606 Main St. Presently, there is a small, two story, brick residence that we have been renting out for about 9 years.

The proposed Tavern would add a covered porch in the front. We would enclose the rear porch area (to somewhat match the Sunroom area at Hornsby House Inn.)

The interior would be remodeled. There would also be an outside patio area created for seasonal outside seating.

Existing parking is available on site, and is also used for Hornsby House Inn events and weddings.

The hours of operation would be 12 noon to 9:00 pm, Thursday - Sunday, April thru October. We would hope to open May, 2020.
