Dear Property Owner:

RE: Bypass Road Sidewalk Project- «PropAdd1» «PropAdd2»

York County Department of Public Works is currently in the process of designing the Bypass Road Sidewalk Project. The goal of the project is to upgrade the existing sidewalk along the southern side of Bypass Road from the railroad tracks (Williamsburg City line) to the intersection with Route 132.

On September 26, 2019, York County will hold a public meeting at Waller Mill Elementary to discuss the design and timeline for the project. The engineering plans are at a preliminary design stage at this time. The purpose of this letter is to invite you to the public meeting to view the plans. You may come any time between 5:30 p.m. and 7:00 p.m. on Wednesday September 26, 2019 to Waller Mill Elementary at 314 Waller Mill Road, Williamsburg, VA.

County Staff will be available to discuss the project objectives, design and timeline. You are strongly encouraged to take advantage of this opportunity to participate. If you have any questions about the meeting or project or if you cannot attend on the scheduled date, please feel free to contact Elizabeth Mert-Guinn, the Project Engineer at (757) 890-3785 or by email at elizabeth.mertz-guinn@yorkcounty.gov.

Sincerely,

Brian Woodward, P.E.
Director of Public Works

Subject: New Program on WYCG-TV- York County Fire Station 1: First Look
Attachments: YC Fire Station 1 First Look.pdf

Good morning and happy Wednesday!

Last night after the Board of Supervisors meeting, WYCG-TV premiered ***York County Fire Station 1: First Look***.

Here's your chance to go inside the construction zone and see what makes this a state-of-the-art facility.

A big thank you to Chief Kopczynski, County Administrator Morgan , and Deputy Director Sisler for taking us on this informative tour.

Congrats to the WYCG-TV team on a great job under hard-hat conditions --we can't wait to be there for the opening in late October.

Attached is a description with links for easy viewing. Please feel free to share with others that may be interested!

As always, thanks for watching and have a great day!

Paula

York County Fire Station 1: First Look

Airing Daily on WYCG-TV *

It has been a three year process building the new Fire Station 1, but the dream is almost a reality! Fire Chief Steve Kopczynski, County Administrator Neil Morgan, and Deputy Director of Public Works Joe Sisler give viewers a *First Look* at the new station and all that went into making this state-of-the-art facility.

York County Fire Station 1: First Look, airs daily on WYCG-TV (Cox 46/Verizon 38) or easily accessed from your desktop or mobile device at yorkcounty.gov and on [You Tube](https://www.youtube.com)

**Program airs immediately following the BOS 8/20 meeting replay daily at 7am, 11am, & 7pm and at various other times throughout the schedule*
