## **York County Update 6/26/2020:**

Parks and Recreation Summer Camp Programs Cancelled;  
Customer Service Portal Accepts Credit Card Payments for Building  
Permits; Libraries Reopening July 7, Replacing Curbside Service

June 26, 2020

### **Summer Parks & Recreation Camps Cancelled**

- It is with great disappointment that we announce the cancellation of the Summer Fun Camp, Special Recreation Camp, Field Trip Fever, and Safety Town programs scheduled this summer. The staff has been hard at work adapting these programs to the ongoing pandemic limitations and had hoped Virginia's Phase 3 would accommodate them. On Tuesday, Governor Northam announced that Phase 3 would begin Wednesday, July 1, and released the necessary guidelines. Unfortunately, the requirements for social distancing, staffing, and other restrictions make it difficult to offer these programs at a level of quality that you and your children expect and deserve. We will be issuing full refunds to all who have registered for these programs. If you would prefer to apply the fees to another Parks and Recreation program rather than receive a refund, please email the office no later than Tuesday, June 30<sup>th</sup>: [parksandrec@yorkcounty.gov](mailto:parksandrec@yorkcounty.gov). To view other programs, please visit our website at [www.yorkcounty.gov/parksandrec](http://www.yorkcounty.gov/parksandrec).

We appreciate your patience and understanding during these unprecedented times and we will be working hard on our fall program lineup and hope to see you there!

### **Customer Service Request Portal Now Accepting Credit Card Payments for Building Permits**

- Effective June 22, the County's Customer Service Request Portal accepts credit card payments for building **permits**. Since May, builders, contractors and citizens have used the newly enhanced portal to schedule building inspections and submit work requests to various County offices. The addition of credit card payments is a tremendous benefit to our area contractors. Visit the site [here](#).

### **Libraries Reopening July 7, Replacing Curbside Service**

- York County Public Libraries will reopen Tuesday, July 7. Hours of operation will be 10 a.m. to 7 p.m., Tuesday through Thursday; and 10 a.m. to 5 p.m., Friday and Saturday. The libraries will be closed Sunday and Monday. Certain safety modifications have been made, including modified computer work stations that add distance between users. Upon reopening, the Curbside Service for the pickup of books, DVDs, and other materials will cease. For details, read this week's [press release](#).
