Board of Supervisors seeks applicants for Community Services Grant Advisory Committee

August 21, 2020

The York County Board of Supervisors is currently seeking applications from County citizens living in Districts 1 and 4 who are interested in serving on the York County Community Services Grant Advisory Committee.

This committee serves as an advisory body to the Board regarding the allocation of grants to civic and cultural organizations that are awarded for a fiscal year. The committee is comprised of one member from each voting district and meets in January, February and March to discuss allocations for the upcoming fiscal year.

York County citizens who live in Districts 1 and 4 and are interested in applying for appointment to the Community Services Grant Advisory Committee, may obtain an application online at www.yorkcounty.gov (under the “How Do I” tab and then “Apply for A Board/Commission”) or by email to ctyadm@yorkcounty.gov.

Residents can determine their district by visiting the County’s Property Information system at maps.yorkcounty.gov and entering their home address.
