Christmas Tree Collections Begin Monday

It seems as though we were just putting up our Christmas trees and now we're already taking them down and hauling them to the road for pick up. Christmas Tree collections are next week (1/10-14). Residents should bring their tree to the roadside by 7 a.m. Monday to have it collected sometime during the week when crews reach your neighborhood. Be sure to remove all ornaments, lights, tinsel, and tree stands. And, if your tree is taller than six feet, please cut it in half. If preferred, residents may bring their trees (during regular hours) to the VPPSA Compost Facility (145 Goodwin Neck Road) for drop-off. Complete details are available on the [Waste Management Center website](#).
